Weigh, Wrap, Label... All on Board!

ELIXA 30^L LIBRA
EN

Fabfri Group is presenting the **Elixa 30^L Libra** as the ready-to-use solution for Wrap-Price-Weigh and Label in the Retail and Food Industry. The Elixa wrapping technology is based on a single reel width for all tray sizes (family format and large-sized trays incl.) and has been designed to fit on a 1,5 m² footprint for in store packaging operations. This technology is now completed with on board Weigh-Price-Labeling solutions for Top and Bottom labels. In close collaboration with Espera, the **Elixa 30^L Libra** fulfills all today's requirements for label configuration and barcoding, weighing and data management integration into the customer's backoffice. Fabfri Group provides exclusive and comprehensive support for the complete installation, integration and service management of the **Elixa 30^L Libra**.

AUTOMATIC Intuitive Versatile
